Custom Made Golf Products

JStewart Golf is one of the few companies in the world able to offer a variety of custom made golf products with a low minimum order. We are ideally situated in Hong Kong /China and have direct access to numerous factories in the region, which makes our prices competitive. We personally oversee every order with the factories, to ensure the quality and production lead times are met.

Besides the products listed in the catalogue, we can also source many other accessories (including non-golf related items) through our existing network of contacts. We are also the exclusive distributors in the region for PRG Bespoke Golf Accessories, who are the leading premium accessory company in the world.

A unique aspect of our business is that our customers can choose from a variety of fabrics, so that they can match their logo or design to the product. Why advertise and pay for a golf brand when you can have your own billboard on the fairways of the world?! Many of the professional golfers, who you see every week on TV, that have personalized bags are likely to have been supplied by us!

JStewart Golf creates private label golf products for well known brands and corporations as well as merchandise for Golf Clubs, Societies & Teams. We even make bespoke golf bags for individuals who want to stand out from the crowd! Our in-house design team will work with you to incorporate your logo, and any other features required, into your artwork.

We offer volume discounts on all our models and can deliver to anywhere in the world. Please note that our lead time is generally 40-60 days, although, special requests can be made.

*JStewart Golf, was established by James Stewart, who played on the Asian Tour for many years. Golf is our business, so if you're searching for innovative ideas to raise your profile in the game, **we can help!***
